Activity Highlights

Congratulations to all our graduating seniors! Adrienne, Desire, Caitlyn, Riley, Sydney, Maddie and Savannah! We are so proud of you and wish you all the best in your future. Check out our Facebook page to see the march and ceremony we threw for these graduates. Residents have also offered Words of Wisdom you can find there. Reading the words of wisdom from the residents is a real eye opener of the insight and knowledge they hold within. What a treasure and blessed opportunity we have to learn from their life experiences:

"Try not to fight with each other. If you do fight, you have to forgive everyone involved. We have to stay committed to each other for peace of mind. You can't always be right, but you can understand." - *Katharina S.*

"Get a job right away. Don't sit around and wait for the perfect job. Put your effort into everything and you will learn valuable skills, whatever you do, and that will help you achieve your dream job." - *Donald W.*

"Be yourself. Don't try to be anyone else. Live to your own heart's content. Take time to watch the world go by. Every moment is different from the one before." - *Clara G.*

East Troy Manor invited families of its residents to a balloon release in April. The balloons carried messages of hope from residents and family members who enjoyed the chance to visit in a safe, outdoor setting in the midst of COVID-19. Read the entire story at bit.ly/times515.

Note: At the time of this event, recommended precautions for the health and safety of our residents and staff were being followed.
